Sir,

Ref. This office C.R.No. 1050/31 dated 14-9-32 to the Accountant General Madras copy of which already submitted.

In continuation of this office Ref noted above,I submit, that the Accountant General, Madras, states, that the date of presentation of the bill ~~xxxxxx~~ at the Treasury is the date to be taken into consideration with reference to G.O.No. 84~~3~~ P.H. dated 7-4-30 and on this ground,the bill for the quarter ending 31st march 1931 has been returned.In this connection I submit,that according to G.O.No. 84~~3~~ P.H. dated 7-4-30,claim for the 4th quarter should be preferred within 30 th September of the following financial year and in accordance with the above order,the claim for the 4th quarter in respect of Kudatini Rural Dispensary,was preferred on 26-9-31 and the bills also despatched to the Treasury Officer Bellary through the Surgeon General with the Government of Madras, as per rules and the above officer forwarded the bills with his endorsement under date 30-9-31. i.e. within the time,but unfortunately they were received in the Treasury Dy Collector's office Bellary only on 1-10-31 after causing a delay of one day and this delay was due to the transit and not on any other ground.

Under these circumstances I submit, that the claim has been preferred in time by this office as per orders contained in G.O. No. 84~~3~~ P.H. dated 7-4-30,and no delay has been caused by this office in preferring the claim.

I therefore request that the alleged delay of one day may kindly be condoned as a special case and the required sanction may kindly be accorded. It will not also be desirable to make the Board to loose its claim in spite of the fact that the claim has been preferred in time. I would therefore appeal to the Government to take a sympathetic view and accord the required sanction.

The bill returned by the Accountant General, Madras, together with his endorsement is appended herewith for kind perusal and early return.

Sir,

Ref. Yout No. Medl 10 Bell Dated 21-

The subsidy due for the quarter ending 31st march 31, in respect of the Kudatini Rural Dispensary was preferred in time and the bills were actually preferred on 26-9-31 through the Surgeon General, Madras, and the bills were actually received in the Treasury Deputy Collector's office on 1-10-31 with the endorsement of the above officer dated 30-9-31, and the Treasury Officer, Bellary has returned the bills on the ground that they were not preferred in time i.e.30-9-31, and in this connection I would like to state that your authorisation has only been received in this office only on 26-9-31, and the bills were despatched on the same day to the Surgeon General for transmission to the Treasury Officer Bellary for adjusting the bills.No delay has therefore been caused by this office in preferring the claim in time and further it is not reasonable to make the Taluk Boardto loose its claim even though it was preferred in time.

Under these circumstances I request you will be so good as to instruct the Treasury Officer Bellary to admit the claim as a special case and the grant may now at least be adjusted.

The bills claimed in time are herewith sent for favour of necessary action.

The favour of an early compliance is requested.
